On Saturday 4-13-02 Sgt. Rick Pedini informed me that he wished to arrest me following a detail he had been working at Cambridge Savings Bank. Sgt. Pedini informed me that he and his wife had obtained a restraining order against a woman who had shown up unexpectedly at his home during the early morning hours a night earlier. Sgt. Pedini informed me that he felt it would be wise to immediately turn his weapon over to me because he had just been informed by Melrose PD that somehow this woman had just obtained a restraining order against him and that order contained an order to turn his department issued weapon over to Melrose PD. Sgt. Senior informed me that Captain McLaughlin and Chief Ryan agreed that we should take the firearm immediately where it is Department property and we would take whatever measures necessary to comply with the Judge's order. SUPERIOR COURT
CIVIL ACTION
NO. 2002-2798-C

v.

SERGEANT RICHARD PEDRINI and
TOWN OF ARLINGTON

MEMORANDUM OF DECISION AND ORDER ON
DEFENDANT TOWN OF ARLINGTON'S MOTION TO
DISMISS, OR IN THE ALTERNATIVE,
MOTION FOR SUMMARY JUDGMENT

The defendant Town of Arlington ("Arlington") has moved to dismiss Counts II and V of the plaintiff's seven-count "Revised Amended Complaint III", filed on July 1, 2003, pursuant to Mass. R. Civ. P. 12(b)(6), for failure to state a claim. Count II is entitled "Improperly Accessed or Disseminated Criminal [sic] Offender Records Information" and Count V is labeled "Negligence". For the following reasons, Arlington's motion to dismiss is allowed in part, and denied in part.

BACKGROUND

The facts are summarized as they appear in the plaintiff's Revised Amended Complaint, with all reasonable inferences construed in favor of the plaintiff as is

MB

required at this stage of the litigation.¹ On July 3, 2002 at approximately 6:15 p.m., the plaintiff, [REDACTED], was driving on North Union Street in Arlington with her nephew [REDACTED]. She was on her way to the Arlington sprinklers. As she turned left off of North Union Street, she noticed a police cruiser at the corner and recognized the officer in the cruiser as Sergeant Richard Pedrini ("Pedrini"). Pedrini made a u-turn and began following [REDACTED]

[REDACTED] parked her car and sat on lawn chair to watch her nephew play. Pedrini exited his car and stood ten feet behind [REDACTED]. Pedrini returned to his cruiser and moved his vehicle so that it was parked directly behind [REDACTED] car. Pedrini again exited his cruiser and came to stand approximately eight feet behind [REDACTED]

Pedrini called the dispatcher and asked about any outstanding warrants on [REDACTED]. He also ran the license plate on [REDACTED] car. Pedrini learned that there were no warrants and that [REDACTED] license plate was valid. He then said to [REDACTED] "You'll get what is coming to you, you little bitch." He then walked back to his cruiser. Pedrini sat in his cruiser and eventually drove away. Frightened by Pedrini's actions, [REDACTED] gathered her belongings and drove home.

¹ The plaintiff's "Revised Amended Complaint III", is the fourth and most recent version of the plaintiff's complaint. This complaint is not well-plead and it is difficult to decipher the facts and the allegations made by the plaintiff. The court has set forth the facts as accurately as possible, construing all facts and reasonable inferences in favor of the plaintiff.

At some point after the incident with Pedrini, [REDACTED] went to the Arlington police station and filed a complaint about Pedrini. [REDACTED] contends that prior to the incident in the present case, the Town of Arlington was aware that Pedrini's gun had been taken away and that he was the subject of several lawsuits alleging violent interactions. She further asserts that a lieutenant in the Internal Affairs Division was aware of Pedrini's history.

On July 11, 2002, this court (Gershengorn, W., J.) granted [REDACTED] a preliminary injunction against Pedrini. [REDACTED] alleges that she suffers fear, anxiety and nightmares as a result of the incident with Pedrini.

DISCUSSION

A motion to dismiss under Mass. R. Civ. P. 12(b)(6) tests the legal sufficiency of the complaint. It should only be granted if "it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief." *General Motors Acceptance Corp. v. Abington Casual Ins. Co.*, 413 Mass. 583, 84 (1992). The court must accept the allegations made in the plaintiff's complaint as true, as well as any reasonable inferences that may be drawn therefrom. *Nader v. Citron*, 372 Mass. 96, 98 (1977); *Eyal v. Helen Broadcasting Corp.*, 411 Mass. 426, 429 (1991).

In evaluating the plaintiff's complaint, "the court is not to consider the unlikelihood of the plaintiff's ability to produce evidence to support otherwise legally

sufficient complaint allegations, however improbable appear the facts alleged, and notwithstanding expressions of denial and incredulousness as to ultimate proof by the defendants." *Brum v. Town of Dartmouth*, 44 Mass. App. Ct. 318, 322 (1998).

Thus, a complaint should not be dismissed for failure to state a claim unless "on the face of the complaint it is unmistakable that the plaintiff can prove no facts in support of a tenable legal claim." *Disend v. Meadowbrook School*, 33 Mass. App. Ct. 674, 676 (1992).

I. Plaintiff's Negligence Claim Against the Town of Arlington

The Massachusetts Tort Claims Act, G.L. c. 258, § 10(c), exempts a public employer² from liability for any claim arising out of an intentional tort committed by its employees.³ Arlington asserts that pursuant to this exemption, it cannot be liable for [REDACTED] injuries because Pedrini allegedly committed the intentional tort of invasion of privacy against [REDACTED].⁴ The plaintiff argues that she has not alleged

² The definition of "public employer", as set forth in Chapter 258, § 1, includes "the commonwealth and any county, city, town, educational collaborative or district[.]"

³ Under G.L. 258, § 10(c), intentional torts include, "assault, battery, false imprisonment, false arrest, intentional mental distress, malicious prosecution, malicious abuse of process, libel, slander, misrepresentation, deceit, invasion of privacy, interference with advantageous relations or interference with contractual relations."

⁴ Count V of [REDACTED] complaint is labeled "Negligence". Paragraphs 44-50, which comprise Count V, do not clearly set forth a claim of negligence. However, incorporating the facts and allegations set forth in paragraphs 1-43 of the complaint, the plaintiff alleges a claim of negligence against Arlington sufficient to survive the threshold challenge of a Rule 12(b)(6) motion.

an intentional tort against Arlington. Rather, she contends that Arlington is liable for inadequately training and supervising its police officers.

To state a cognizable claim for negligence against Arlington, [REDACTED] must allege (1) the existence of an act or omission in violation of a (2) duty owed to her by the Town, (3) injury and (4) a causal relationship between the breach of duty and the harm suffered. *A.L. v. Commonwealth*, 402 Mass. 234, 239 (1988). [REDACTED] alleges in her complaint that Arlington failed to "properly supervise, monitor, deter and train Sergeant Pedrini", despite its knowledge that Pedrini "had his gun taken away and is involved in several lawsuits involving violent interactions." She further asserts that Arlington breached its duty because it "knew or should have known" that Pedrini's "history with women and his marital status" would lead to the incident alleged by [REDACTED] or a similar incident. She claims injury in the form of "extreme emotional distress, resulting in physical and emotional symptoms." Finally, [REDACTED] alleges that Arlington knew or should have known that the Sergeant would harm [REDACTED] and that Arlington's "acts and omissions were the direct and proximate cause of [REDACTED] injuries."

The legislature's intention in excluding the government from liability for intentional torts was to protect it from being liable for intentional conduct by its employees that it did not authorize. *Doe v. Blandford*, 402 Mass. 831, 838 (1988). The Massachusetts appellate courts have held that section 10(c) should be construed

narrowly and in accordance with that intent. See *id.* at 837-838. In *Doe v. Blandford*, the Supreme Judicial Court found that where a public employer knew or should have known of its employee's assaultive behavior, the employer's negligence was the true focus of the case, and the employer did not fall within the section 10(c) exemption. In *Dobos v. Driscoll*, 404 Mass. 634 (1989), the court relied on the reasoning in *Doe* to hold the Commonwealth liable for negligence where a police officer assaulted a civilian and the supervisory employers were aware of the officer's prior assaultive behavior.

In this case, if [REDACTED] can establish that Arlington had knowledge about Pedrini that put it on notice of the likelihood that the incident with [REDACTED] would occur, it is plausible that a reasonable trier of fact could find that it was negligent. [REDACTED] complaint is poorly pleaded. However, she does set forth facts on each of the required elements of negligence. Massachusetts Rule of Civil Procedure 8(f) requires that all pleadings be "construed as to do substantial justice." Assessing [REDACTED] complaint against the elements of a negligence claim, she has alleged sufficient facts to survive a motion to dismiss Count V under Rule 12(b)(6). However, as best the court can discern, Count II is duplicative of Count V in all material respects, and alleges essentially the same cause of action. Accordingly, Count II will be dismissed.

ORDER

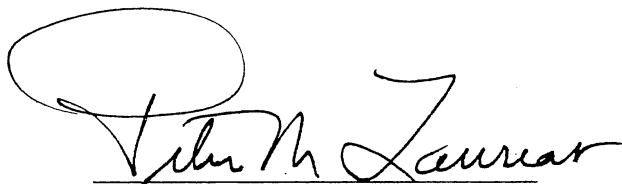

For the foregoing reasons, the court concludes that the plaintiff, [REDACTED]

[REDACTED] has alleged a sufficiently tenable legal claim for negligence to survive defendant Town of Arlington's motion to dismiss for failure to state a claim.

Therefore, defendant Town of Arlington's Motion to Dismiss pursuant to Mass. R.

Civ. P. 12(b)(6) is ALLOWED as to Count II of the plaintiff's Revised Amended

Complaint III, and DENIED as to Count V of the Revised Amended Complaint III.

Answer No. 4

My name is Frederick Ryan with a business address of the Community Safety Building, 112 Mystic Street, Arlington, MA 02474. I am the Chief of Police and have been so for four years. I was also employed by the Town in summer employment with the Department of Public Works in the late 1970's.

Has the Town of Arlington ever developed and/or distributed any materials (written, computer, video or audio) concerning: (a) making arrests or otherwise seizing criminal suspects; (b) determining whether or not there is probable cause for an arrest or the seizure of a criminal suspect; (c) the use of force; (d) police abuse and misconduct; or (e) state or constitutional law?

If so, state for each the title, author and publication date of each such piece of material and the date when such material was developed and distributed.

Answer No. 8

The only materials responsive to this interrogatory are the Rules and Regulations of the Arlington Police Department.

Subject: Sergeant Richard Pedrini

On July 3, 2002  DOB 11/25/75 of 
 filed a Civilian Complaint Form on Sgt. Richard Pedrini.

In her complaint  alleges that Sgt. Pedrini followed her to the North Union St. Playground and ran a listing on her vehicle and a warrant check on her. Her complaint states that there was no conversation between them.  does state that while Sgt. Pedrini was standing 5 to 8 feet behind her he may have said something under his breath that sounded like "you'll get what's coming you little bitch," but she is not 100% sure. There were no other witnesses to this incident.

On July 11, 2002  obtained a civil order from the Cambridge Superior Court ordering Sgt. Pedrini to have no contact with  either directly or indirectly and to stay at least 200 yards from . A full hearing on the order scheduled for July 16, 2002 was continued. There have been several continuance dates set for a full hearing, but the hearing has not take place yet. It appears that his case may drag out for a prolonged period of time.

At this time this officer cannot find any violations of department policy or rules and regulations. Barring any new developments this officer recommends that Sergeant Pedrini be restored to unrestricted duty.

Dear Chief Ryan,

On 10/07/2008 at approximately 0900 hours a Mass Highway worksite was setup on Lexington Street in Woburn. The worksite used "flaggers" in place of Police Officers on details, as per the new state regulations. In response, officers from the Woburn Police and surrounding departments arrived and protested this change. The protestors numbered approximately 50 to 60 officers.

The Woburn Police responded to the scene to ensure the safety of the public, police and Mass Highway personnel. As per my directive the worksite was filmed by a Woburn officer. During the course of the protest, my attention was drawn to a black Mercury Marquis [REDACTED] that pulled out a side street in front of an oncoming gray Toyota SUV [REDACTED] in the work zone. This event appears to be staged for the benefit of highlighting the dangers of the scene. The drivers of the respective motor vehicles were identified as Richard Perdrini and Dennis Mahoney both of the Arlington Police Department (see attached listings and photo's).

After consultation and review of tapes; the Middlesex County District Attorney's Office opined there was insufficient evidence to warrant a criminal charge against any officers. In my opinion these officers actions were

inappropriate and dangerous to say the least. I have included the tapes that show this behavior so that you may take actions that you deem appropriate.

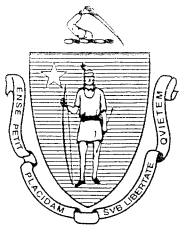

Thank you for your attention in this important matter. If you have any questions please call me at 781-932-4518 or pmahoney@woburnpd.com.

Sincerely,

Chief Philip L. Mahoney
Woburn Police Department
25 Harrison Ave
Woburn, MA 01801

Dear Chief Mahoney:

Pursuant to your request, the Middlesex District Attorney's Office has reviewed the evidence provided to us by your department pertaining to the police protesting against Mass Highway's use of civilian flaggers that took place on October 7, 2008 on Lexington Street at Canterbury Road in Woburn. This evidence is as follows:

1. Report of Captain Murphy, 1 page;
2. Report of [REDACTED] 1 page;
3. Video Footage from WBZ, 1 DVD;
4. Video Footage from Channel 7, 1 DVD;
5. Video Footage from the Woburn Police Department, 2 DVDs.

Our office outlined to your department additional steps that could be taken to develop further evidence and aid our efforts to determine whether criminal conduct had occurred. You informed us that your department would not conduct any witness interviews, provide additional police reports, nor do any further investigation into this matter.

Based on the evidence before us, the Middlesex District Attorney's Office has determined that there is insufficient evidence regarding the three named officers who were the focus of this investigation. This does not preclude you or the other police chiefs from taking internal disciplinary action against any of the officers from your respective departments who were present during this protest.

Our decision that the evidence in this case does not support criminal charges should not be taken in any way as a sign that we did not appreciate the seriousness of this situation. At the same time, we have an ethical and professional obligation to pursue only cases when the evidence meets a criminal standard of proof. This case does not meet that standard.

Please contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Patricia Gould". The signature is written in black ink and is positioned above the printed name.

THIS REPORT IS BEING WRITTEN PER ORDER OF CHIEF MAHONEY; RE: UNION ACTIVITY ON LEXINGTON ST, IN PARTICULAR ONE OFF DUTY ,OUT OF TOWN OFFICER ,NEAR THE FLAGGER.

ON 10/07/2008,AT APPROX 0915HRS, I, [REDACTED] WAS ASSIGNED AS DAY PATROL SUPERVISOR. AT THE ABOVE TIME I WAS TOLD BY CHIEF MAHONEY TO REPORT TO THE UNION ACTIVITY THAT WAS TAKING PLACE ON LEXINGTON ST NEAR CANTERBURY. WHEN I ARRIVED I SPOKE TO CHIEF MAHONEY, HE TOLD ME NOT TO LET ANYMORE MV'S PARK ON THE WEST SIDE OF LEXINGTON ST NEAR RYDER DR . HE ALSO STATED HE DID NOT WANT THE PICKETERS TO GO BEYOND THE WHITE FOG LINE ON LEXINGTON ST. I THEN WALKED OVER TO THE FLAGGER AND STOOD NEXT TO HIM AS THERE WERE SEVERAL PICKETERS IN HIS VICINITY,YELLING AT HIM. I TOLD HIM NOT TO WORRY, THAT I WOULD STAY WITH HIM. I ALSO HAD TO TELL A COUPLE OF NEWS VEHICLES THEY HAD TO MOVE WHEN THEY ATTEMPTED TO PARK ON THE WEST SIDE OF LEXINGTON ST NEAR RYDER DR.

AS I STOOD NEAR THE FLAGGER SEVERAL PICKETERS WERE IN HIS IMMEDIATE VICINITY, ONE IN PARTICULAR WAS VERY CLOSE, HOLDING HIS SIGN IN FRONT OF THE FLAGGER. THIS ONE PARTICULAR PICKETER WAS NOT A WOBURN OFFICER, AND I DID NOT RECOGNIZE HIM; HE WAS WEARING A GRAY AND BLUE JACKET AND A RED CAP. ALL THE OFFICERS THAT WERE IN THE VICINITY OF THE FLAGGER AT THIS TIME WERE NOT WOBURN OFFICERS, AND I DID NOT RECOGNIZE ANY OF THEM. THE PICKETERS WERE TAUNTING THE FLAGGER, BUT THERE WERE NO THREATS MADE TOWARDS THE FLAGGER. THE ONLY PERSONAL TAUNT I RECALL BEING DIRECTED TOWARDS THE FLAGGER WAS "SCAB".

SEVERAL TIMES I ASKED THE PICKETERS NOT TO BLOCK THE FLAGGERS' LINE OF SIGHT. I ALSO HAD TO HELP DIRECT TRAFFIC SEVERAL TIMES FOR SAFETY PURPOSES. AFTER ABOUT AN HOUR OR SO THE WORK CREW STOPPED WORKING AND THE SITUATION BECAME MORE CALM. WHEN THE WORK CREW CAME BACK ABOUT 1230HRS, THERE WAS A PLAN IN PLACE, AND ALL WENT WELL THE REST OF THE AFTERNOON. THE CHIEF ALSO ASSIGNED ADDITIONAL ON DUTY OFFICERS IN THE AFTERNOON, WHICH HELPED IMMENSELY. THE SCENE WAS CLEARED AT APPROX. 1330HRS.

RESPECTFULLY SUBMITTED

20 October 2008

Subj: IA Investigation of Woburn Labor Protest

1. Captain Kennefick,

On 07 October 2008, at approximately 0830 hrs, I was off-duty and I responded to Lexington St. in Woburn for an informational picket. Mass Highway arrived on scene at approximately 0900 hrs and set up a work zone on Lexington St. near the Woburn-Lexington line. Due to the number of off-duty officers from surrounding communities involved in the informational picket, my personal vehicle was parked on Canterbury Rd., several houses in from Lexington St. I was involved in sign holding on the Lexington side of the work-zone (SW). I can be seen on video holding my sign wearing a blue baseball-type shirt. Due to the shade cover of this area, the temperature was much cooler in this area than further down the hill on the NE side. At approximately 0930 hrs (times are an estimation, I did not keep an accurate time log of the day), I walked down the hill to my personal vehicle on Canterbury Rd. My intention was to change into a jacket and drive my personal vehicle to the SW end of the picket so I would have easier access to it. It should be noted that the work zone was very long and I would have been greatly inconvenienced if I were going to have to walk five minutes or so each way to gain access to my vehicle.

When I got to my vehicle, I took off the baseball shirt and put on a black windbreaker (this can also be seen on video). I pulled my vehicle to the intersection of Canterbury and Lexington and stopped before proceeding into traffic. There was a so-called "flagger" stationed approximately 50-75 feet across the street to the Northeast in the company of an on-duty Woburn Police Sergeant. The "flagger" did not have any traffic stopped and was not displaying the "Stop" sign in my direction. All I could see was the "Slow" sign. I then proceeded slowly and directly across the Northbound lane (I did not hit any cones, as was reported by the media and I was never on the "wrong side of the road". Once I was in my lane, the double yellow lines were always on my driver's side.) From the intersection of Canterbury and Lexington, I could not see the "flagger" on the other end of the work zone. As I pulled completely into my lane, I could see that the "flagger" at the other end of the work zone had released the traffic from his side. When I realized this, I stopped my vehicle. At this time, I saw that the lead car in the oncoming traffic was Officer Dennis Mahoney's (I was familiar with his plate and could see him operating). Due the fact that I was in my lane and on the "right side of the road", I sounded my horn several times. At this time, Chief Mahoney from the Woburn Police ran out into the roadway, approached my vehicle and shouted, "Cut the crap! You're causing the problem." I tried to tell Chief Mahoney that "the flagman told me to go", but he would not listen. He ordered me to pull over and I pulled my vehicle to the right and onto the shoulder, making a lane for the traffic that was coming at me in my own lane after they had crossed the

double yellow line at the top of the hill. After this traffic passed, I was able to proceed to the other end of the work zone, where I parked my vehicle and continued to participate in the informational picket.

At no time did Officer Mahoney and I conspire to stage any type of traffic jam. This incident was purely coincidental. At the end of the day, I even informed Chief Mahoney of this. He stated that he appreciated me speaking to him about it, but added, "I don't believe you." At no time, however, did Chief Mahoney apologize for acting so unprofessionally that morning. For the record, I think that members of the motoring public, whether or not they are off-duty police officers, are entitled to more courtesy than what was displayed on video that morning by the highest-ranking police officer in the City of Woburn.

Respectfully,

Sgt. Richard Pedrini

Re: Woburn

Date: 22 October 2008

Sir,

On October 7, 2008, while off duty, I participated in a informational Picket in Woburn, sponsored by the Woburn Police Patrolman's Union. At no time did this officer do anything unlawful or disrespectful. This officer came out of a side street turning left onto Lexington St. in the middle of the work zone under the direction of the civilian flagman, hired by the Massachusetts Highway Department. The flagman on the south side of the work zone was releasing the traffic going north at that time pointed at me instructing me to go in the same direction (North). As I proceeded north, I encountered several other vehicles in the same lane of travel coming at me going south. I would never plan or participate in any careless action to put the public or myself in danger. Therefore I am unsure of how Mr. Pedrini and I ended up head on.

Respectfully Submitted,

Subject: October 16th Letter

October 21, 2008

Chief Mahoney - we are in receipt of your letter dated October 16, 2008 relative to a protest at a Mass Highway worksite. In your letter you state in part, "My attention was drawn to a black Mercury Marquis [REDACTED] that pulled out a side street in front of an oncoming gray Toyota SUV [REDACTED] in the work zone. This event appears to be staged for the benefit of highlighting the dangers of the scene".

This matter has been referred to our Office of Professional Standards for an internal affairs investigation. Pursuant to that investigation our investigator(s) would appreciate if you would respond to the following questions:

- 1) What is your basis of knowledge that this event was "staged"? Is this an opinion or did you develop evidence to support that conclusion?
- 2) Did you or a designee investigate this specific "staged" incident and the actions of the referenced officer(s)? If so, please forward all investigative materials for review by our Professional Standards staff.
- 3) In the film footage it appears that you directed Sgt. Pedrini to pull over and he replied, "he told me to go." You then said, "I understand." Did you interview the person directing traffic to determine if he had actually told Sgt. Pedrini to go? If so, what is the person's identity?
- 4) There was a line of cars behind Officer Mahoney's car. Were they a part of the alleged "staged" event as well? Were they also police officers? Do you have their identities so that they can be interviewed?
- 5) You reference a "side street" that Sgt. Pedrini pulled out from.

What is
the name of the street? What traffic control devices were present at
the
referenced side street?

In your letter your further state, "In my opinion these officers
actions
were inappropriate and dangerous to say the least". Please respond to
the
following questions:

- 1) You mention that the actions of both officers were dangerous.
Please
describe the specific actions of each separate officer that made you
arrive
at the opinion that their actions were "dangerous."
- 2) Did you or a designee issue a motor vehicle citation for the
alleged
dangerous driving? If yes, please forward a copy of the citation.
- 3) Is there a NIMS compliant ICS after action report of the event? If
so,
please forward a copy.
- 4) Was the event debriefed by the Woburn Police Department? If so,
please
forward the minutes and any reports summarizing such debriefing.
- 5) Did Mass Highway file a work zone safety plan? If so, please
forward a
copy. We are particularly interested in what traffic control was
present at
the side street Sgt. Pedrini pulled out of.
- 6) At a press conference at the end of the day you stated that there
were
several instances in which flaggers directed traffic into each other.
Were
you referring to the Pedrini/Mahoney interaction?

Thank you for your attention to this matter and please contact me if
you
have any questions.

Subject: **Administrative Review – Prisoner** [REDACTED]

The following is a summary of my interactions, conversations, and observations during the transport, holding, booking, and custody of [REDACTED] that you have ordered me to write.

1. On Thursday, February 13, 2014, I was assigned as the Patrol Supervisor in unit 357 on the 1600-Midnight (PM) Shift. At approximately 1700 hrs, while still at HQ performing administrative duties, I had a conversation with the on-call Bail Commissioner Dennis Collins relative to [REDACTED] bail status. I reviewed Mr. [REDACTED] arrest package and booking paperwork and informed Mr. Collins that if released, [REDACTED] would then be [REDACTED]. Mr. Collins advised me that there would be no bail for [REDACTED].
2. On two separate occasions on the PM Shift, I conducted a cellblock check of Mr. [REDACTED] as a courtesy to the Prisoner Watch officer. [REDACTED] was not in any kind of physical distress or difficulty.
3. At midnight, I relieved Lt. White and was assigned as the OIC on the Midnight-0800 (AM) Shift of February 14th. I was aware that [REDACTED] had vomited at some point during the PM shift and that he was OK.
4. During the course of the AM Shift, P/O Brendan Flynn was assigned to Prisoner Watch. He made his required checks. To my knowledge, [REDACTED] never was in distress, injured or ill and he did not ask P/O Flynn for any medical assistance or for anything else.
5. At approximately 0430 hrs, news crews began arriving at HQ for their morning broadcasts. At approximately 0500-0530 hrs, a relative of the [REDACTED] victim left five dozen doughnuts at the front desk as thanks for the APD's quick work in arresting [REDACTED]. At approximately 0600 hrs, I advised news crews from WBZ-TV and WHDH-TV that they could have access to the rear parking lot if they wanted to observe [REDACTED] escort to the prisoner transport wagon.
6. At approximately 0630 hrs on February 14, I entered the cellblock area to check on [REDACTED] and to offer him something to eat. He had a cup and access to water while he was in the cell. I performed this check because P/O Flynn was monitoring a female juvenile detainee in the 1st Floor Interview Area.
7. [REDACTED] told me that he was not hungry and that he had vomited because he had taken some Tylenol. I observed vomit on the floor of the cell. I also looked around the cell for any kind of Tylenol packaging or other evidence that would indicate that he had ingested any Tylenol while in custody. I observed none.
8. At about 0645 hrs on February 14, I returned to the cell block area to check again on [REDACTED]. I asked [REDACTED] if he vomited because of opiate withdrawal. I asked [REDACTED] this because it is a very common condition for many of our detainees at APD. [REDACTED] said he was not suffering from withdrawal. At one

point he said that he thinks that he wants to go to a hospital. I continued checking on [REDACTED] he was conscious, alert, talking appropriately with me and he did not show any signs of impairment, incapacitation, intoxication, or distress. I knew that [REDACTED] had been in custody at that point for nearly seventeen hours under constant monitoring. My earlier review of his booking showed that he was not feeling suicidal at the time of booking. I explained to [REDACTED] that he would be going to court at about 8:00 to answer for the criminal charges brought against him and that he would have an opportunity to go to the hospital after his arraignment. From this conversation, he was attempting to delay his arraignment as he knew that he had additional [REDACTED]

[REDACTED] A short time later I sent P/O Flynn into the cellblock to feed [REDACTED]

9. At approximately 0730 hrs, Lt. Kelly took over the shift. I advised him of the assembled media in the rear parking lot of the station and of Captain Flynn's plan for [REDACTED] "perp walk".
10. On February 14, 2014, on the 1600-Midnight (PM) Shift, I was again assigned as the OIC. At approximately 1845 hrs, P/O Kindle, who was assigned to Prisoner Watch, informed me that the Middlesex Sheriff's Office was on the phone. He stated that the MSO personnel were inquiring as to whether [REDACTED] had made any statements in relation to taking medication. I informed P/O Kindle that Mr. [REDACTED] said that he had taken some Tylenol.

Respectfully submitted,

On Friday, 02/14/2014, this Officer (Flynn) was assigned to prisoner watch of [REDACTED] for the AM shift. After receiving my assignment at roll call, I placed my department issued firearm in the gun safe outside of the front desk and checked the security camera screen that was taping the prisoner, [REDACTED]. I noticed that something appeared to be on the floor of the cell. I then went back into the cell area to check on [REDACTED]. The prisoner at this time appeared to be sleeping and I noticed that there was vomit on the floor next to the bench where [REDACTED] was sleeping. At this time [REDACTED] had covered himself with a blanket so I was unable to see if he was breathing and I was also unable to hear if [REDACTED] was breathing. I then knocked on the door to the cell and yelled into the cell. Once I yelled "Hey" into the cell [REDACTED] awoke and sat up and responded "what?" I then let [REDACTED] know that I was checking to make sure that he was okay. This check took place around midnight (00:00 hours) on 02/14/2014. I then checked the prisoner every 29-30 minutes as required and hitting the scan box to verify that I checked the prisoner. To the best of my knowledge [REDACTED] slept without any issues aside from coughing a few times until sometime around 05:30 hours. At this time [REDACTED] woke up asking me "Can I have a water? I'm so dehydrated." I then checked the locker at the end of the cells where paper cups, blankets, and toilet paper are usually stored. There were no paper cups in the locker so I retrieved a plastic cup from next to the water cooler in the interrogation room and brought it to [REDACTED]. I informed [REDACTED] that since he was receiving a plastic cup instead of a paper cup that he had better not try to tear the cup and injure himself with it because I then would have to take it away from him. I believe [REDACTED] then filled the cup in the sink and drank from it a few times. [REDACTED] then placed the cup at his feet on the bench. The next time I checked on [REDACTED] he was sleeping again. Around the time of 06:30 to 06:45 hours I brought a donut back for [REDACTED] to eat for breakfast. As I approached [REDACTED] cell, I asked [REDACTED] "Do you want a donut?" [REDACTED] replied "Yes. I am not sure if am going to eat it though." [REDACTED] then stated, "I think I might need to go to the hospital." I am unsure exactly what [REDACTED] said next. [REDACTED] either said "I took a bunch of pills before I was arrested." Or "I took a half a bottle of Tylenol before I was arrested." I then notified Sergeant Pedrini of what [REDACTED] had said to me. Sergeant Pedrini then went to [REDACTED] cell and spoke with him. I checked [REDACTED] one or two more times and [REDACTED] appeared to be sleeping again. I was then dismissed at shift change between 07:35-07:45 hours.

As you know, I have been tasked to conduct a review in regards to [REDACTED] who was our detainee on February 13-14, 2014. Thank you for the report you submitted that I received on 2-25-2014 regarding your interactions, conversations, and observations of prisoner [REDACTED] (see attached).

At this time I have several follow up questions that I would like you to answer. This information should be submitted to my office prior to the end of your next tour of duty. As with your initial report, this information should be contained within a word or PDF document that has been titled, dated, and signed.

1. At the beginning of your PM tour of duty on Thursday 2-13-2014 did the day shift commander Sgt. James Kiernan inform you of the booking information obtained from [REDACTED] regarding his [REDACTED] If he did provide this information, what was your response and what actions did you take if any?
2. You report observing from the front desk live video feed what appeared to be vomit on the cell floor, you instructed Officer Robert Smith to check on prisoner [REDACTED]. Officer Smith confirmed that the prisoner had been sick in the cell "but was ok now." When asked if he needed "anything" [REDACTED] responded that he was "fine." [REDACTED] went on to decline water when asked by Officer Smith.

At any time did you instruct Officer Smith to specifically ask the prisoner if he needed medical attention? After Officer Smith reported back to you that the prisoner had "threw up a little" in the cell, what actions did you take if any? At any time did you consider activating the emergency response system? If you did not please explain why?

3. At the end of your tour of duty did you provide the oncoming Shift Commander, Sergeant Richard Pedrini, with all relevant information regarding the prisoner and his condition during the PM shift? If you did, what information did you provide and what was his response? If you did not provide this information, please explain why?

Re: Follow up questions

Sir:

Question #1

Sgt J. Kiernan at the change of shifts did provide me with the booking information regarding [REDACTED]. I then informed Officer Rob Pedrini who was the prisoner watch officer that we had one in custody in cell #3 and that he needed to make a call to his attorney. At this time I gave Officer Rob Pedrini a piece of paper with a phone number on it.

Question #2

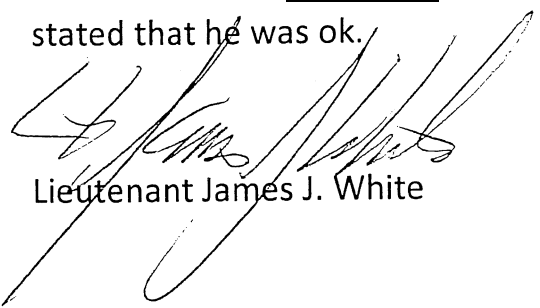

I did not instruct Officer Smith to ask [REDACTED] if he needed medical attention.

I told Officer Robert Smith to keep an eye on him.

I did not activate the EMS system because I was not informed that Mr. [REDACTED] was injured or in distress in any way that warranted medical attention and that [REDACTED] told Officer Smith that he was ok and that he did not request medical aid from Officer Smith.

Question # 3

Sergeant Rick Pedrini was notified during the pm shift and at the end of the pm shift that [REDACTED] had thrown up earlier in the pm shift and he had stated that he was ok.

As you know, I have been tasked to conduct a review in regards to [REDACTED] who was our detainee on February 13-14, 2014. Thank you for the report you submitted that I received on 2-25-2014 regarding your interactions, conversations, and observations of prisoner [REDACTED] (see attached).

At this time I have several follow up questions that I would like you to answer. This information should be submitted to my office prior to the end of your next tour of duty. As with your initial report, this information should be contained within a word or PDF document that has been titled, dated, and signed.

1. At the beginning of your AM tour of duty on Friday 2-14-2014 did the PM Shift Commander, Lieutenant James White, provide you with all relevant information regarding [REDACTED] and his condition during the PM shift? If he did provide this information, what was your response and what actions did you take if any?
2. You report that at approximately 0630 hours you entered the cellblock to check on [REDACTED] and offer him something to eat. At that time he had a cup and access to water while in the cell. You report that [REDACTED] told you he was not hungry and that he had vomited because he had taken some Tylenol. You report observing vomit on the floor of the cell and then looked for evidence that would indicate that he had digested any Tylenol while in custody. You report observing no evidence of this.

At any time during this conversation did [REDACTED] comment that he was not feeling well and wanted to be taken to a hospital? Did you ask [REDACTED] when he had ingested the Tylenol? Did you ask Mr. [REDACTED] where he had ingested the Tylenol? At this time did you consider activating the emergency response system? If you did not, please explain why?

3. You report that at approximately 0645 hours you returned to the cellblock to check again on Mr. [REDACTED]. You asked the detainee if he had vomited because of opiate withdrawal. You report that [REDACTED] said he was not suffering from withdrawal and at some point he said that he thinks that he wants to go to the hospital. You continue checking on the detainee and report he was conscious, alert, talking appropriately and did not show signs of impairment, incapacitation, intoxication, or distress. After explaining to [REDACTED] that he would be going to court at approximately 0800 hours you report that he would have the opportunity to go to the hospital after his arraignment.

Why did you return to the cellblock to check again on [REDACTED] at approximately 0645 hours (15 minutes after your initial check)? Why did you inform [REDACTED] that he would have an opportunity to

go to the hospital after his arraignment? At any point after [REDACTED] said "he thinks that he wanted to be taken to the hospital," did you consider activating the emergency response system? If you did not, please explain why?

4. You report that a short time later (after your second conversation with [REDACTED], you sent Officer Brendan Flynn into the cellblock to feed him. At any time during the morning of 2/14/2014 did Officer Flynn report to you that [REDACTED] had stated "I think I may need to go to the hospital"? At any time on the morning of 2/14/2014 did Officer Flynn report to you that that [REDACTED] had said "I took a bunch of pills before I was arrested" or "I took a half a bottle of Tylenol before I was arrested"?
5. You report that at approximately 0730 hours Lieutenant Kelly took over the shift. At the end of your tour of duty did you provide the oncoming Shift Commander, Lieutenant Dan Kelly, with all relevant information regarding [REDACTED] and his condition during the AM shift? If you did, what information did you provide and what was his response? If you did not provide this information, please explain why?

Please feel free to contact me with any questions you may have. Thank you in advance for your assistance in this process.

Subject: **Administrative Review – Prisoner** [REDACTED]

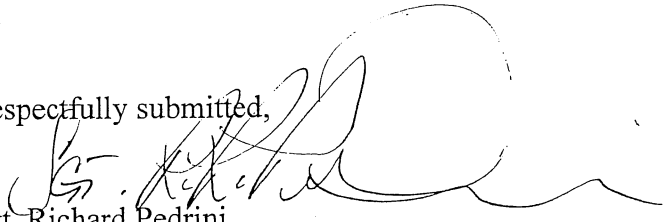

Captain,

I forward to your attention the below supplemental report based on your recent order. In addition, I make reference and please also see my previously prepared and submitted report based on your earlier order.

1. I don't recall if Lt. White provided specifics as to [REDACTED] condition at shift change. I was working an over-time as the Patrol Supervisor when Lt. White was the OIC. Given this, I was in the station at different times and was aware that [REDACTED] had vomited in his cell at some point in time during the shift and that he was OK. I also performed cell checks on [REDACTED] during that shift. I did not take any actions specific as to [REDACTED] at the time of the shift change. During the AM Shift, my assigned Prisoner Watch, P/O Brendan Flynn, completed all required checks without incident. I had no interaction with [REDACTED] until approximately 0630 hrs.
2. During my conversation with [REDACTED] at approximately 0630 he did not state anything about wanting to go to the hospital. I did not ask when or where he supposedly took the Tylenol. I did not activate the EMS system because, other than the vomit on the floor of the cell from an earlier shift, I did not observe any signs of distress. [REDACTED] was conscious, alert, talking appropriately with me and not showing any signs of impairment, incapacitation, intoxication or distress. [REDACTED] had been in custody for about 16 hours and was only now making this information known as he did not mention it at booking per the booking information and mentioned no Tylenol usage. Given this information, I was not aware that he had a medical situation, but thought that he was seeking to delay his court appearance.
3. I returned to the cellblock area at approximately 0645 to speak with and re-evaluate [REDACTED]. Given that so many detainees vomit due to opiate withdrawal, I wanted to speak with [REDACTED] about this. After speaking with and observing [REDACTED], I told him that he would have an opportunity to go to the hospital after his arraignment because he would be able to make arrangements to do so with his attorney after being arraigned at court. I considered activating EMS but did not because he was now just about one hour from being transported to court and he was not showing any outward signs of distress as detailed in answer to question #2 above.

4. I do not specifically recall P/O Flynn relating to me that [REDACTED] was seeking medical treatment. I do recall P/O Flynn relating to me that [REDACTED] had discussed taking Tylenol with him. I do not specifically recall if P/O Flynn related to me if it was "a bunch of pills before I was arrested" or a "half a bottle of Tylenol."
5. During shift change with Lt. Kelly, I did not specifically mention anything to him regarding [REDACTED] condition. We spoke about the juvenile detainee, the arrangements for [REDACTED] "perp walk," and the assembled media outside. I did not specifically mention anything to Lt. Kelly about Mr. [REDACTED] condition because, as previously stated, I was not aware of a medical situation with [REDACTED] and thought that he was attempting to delay his court appearance.

Respectfully submitted,

Sgt. Richard Pedrini

Question 1: During your course of duties on the AM Shift of 2-14-2014 you report observing [REDACTED] on the security camera and then in his cell at approximately 0000 hours. At this time you report [REDACTED] was covered with a blanket and you were unable to see or hear if he was breathing. You also report observing what appeared to be vomit on the floor. After making these observations, did you report them to the Shift Commander or anyone else? If you did report these observations, please provide their response and any actions taken that you may have observed. If you did not, please explain why.

Answer 1: I did not report these observations to the Shift Commander as [REDACTED] was alert once I woke him up and after I said I was checking to make sure he was okay [REDACTED] promptly went back to sleep.

Question 2: Prior to 0630 hours did [REDACTED] inform you that he was not feeling well or that he needed medical attention in any way? If so, did you report this information to the Shift Commander or anyone else?

Answer 2: [REDACTED] did not say anything to me from the time I checked him around 0000 hours until he asked for water at approximately 0530 hours. [REDACTED] was sleeping on all checks in between and never said anything to me in between the checks mentioned above. [REDACTED] never stated anything about feeling ill or needing to go to the hospital until around 0630 hours. I did not report any information to the Shift Commander, as there was no conversation with [REDACTED] regarding him needing to go to the hospital until 0630 hours.

Question 3: You report during a conversation with [REDACTED] at approximately 0630-0645 hours, that he stated, "I think I may need to go to the hospital." Although you were not exactly sure, you report that he then either said "I took a bunch of pills before I was arrested" or "I took a half a bottle of Tylenol before I was arrested." You then report that you notified

Sergeant Pedrini of what [REDACTED] had said to you, and he then went to Mr. [REDACTED] cell and spoke with him.

After informing Sergeant Pedrini of the detainee's comments, did you have any further conversation [REDACTED]? Please provide Sergeant Pedrini's response, if any, and actions taken that you may have observed.

Answer 3: After informing Sergeant Pedrini about [REDACTED] comments, I observed Sergeant Pedrini go back into the cell block area and ask [REDACTED] if he was addicted to opiates and going through withdrawals. I could not hear [REDACTED] responses to Sergeant Pedrini as I was also monitoring a juvenile that we also had in custody in the interrogation room. I did not have any further conversations with [REDACTED].
